House health care reform bill as passed by the House on Nov. 7, 2009:

[H.R. 3962, the Affordable Health Care for America Act](#)

Senate health care reform bill as passed by the Senate on Dec. 24, 2009:

[H.R. 3950, the Patient Protection and Affordable Care Act](#)

Health care reform cannot become law unless the House and Senate pass identical legislation. The House and Senate currently are attempting to negotiate a final version. If the House and Senate leaders agree on a compromise bill, it is supposed to be available online for 72 hours before a vote. If a compromise bill is presented, I will post a link to the text as soon as it is available.
